Use of Specialist Subcontractors or Outside Expertise.

For some specialty works or expertise Irish Fencing and Railings Ltd. does not have directly employed personell and uses specialist companies or sub-contractors

These are generally in the provision of electrical services, operation of certain plant and machinery and specifically in the installation of certain classes and types of Access Control Equipment and other security services which fall under the requirements of The Private Security Authority. (PSA) licensing.

<http://www.psa.gov.ie/Website/psa/psa.nsf/agentvw?Openform&vw=psaLicensing>

In simple terms the items falling under the requirement for a PSA license which are commonly supplied by Irish Fencing and Railings Ltd. are any electronically controlled gate higher than 1500mm in a domestic situation, or any electronically controlled gate in a commercial or other than domestic situation of any height. The supply and installation of CCTV, and the provision of Intruder Alarms.

We utilise only individuals or companies who are qualified, registered or licenced as required to carry out these specialised services. and we will ensure that the same level of insurance as we hold is carried by these individuals or companies.

Your contract for all works remains with Irish Fencing and Railings Ltd and the use of a subcontractor or outside company in no way diminishes your rights under the Sale of Goods and Services Act 1980.
