Irish Fencing & Railings Limited T/A Irish Fencing Services

Directors: S. Winters (Managing), S. Wilson, (Financial), P. Hobdell, T. Hobdell(Chairman). Registered Address: 9 Clare Street, Dublin 2. Registered No. 69240

An option of base plating posts to a suitable concrete base using appropriate Irfen® chemical or mechanical anchors may be used as an alternative fixing subject to design by consultant engineer or Irish Fencing Services Ltd technical staff.

When concrete is set, secure the panel to posts with Irfen® fixings. Panels that are cut on site are to be made good using a zinc-etch primer paint, followed by a top coat of Cromadex 222 polyurethane repair paint.

Ensure all fixings and components are correctly secured.

SPOIL

Agree with client location for or method of disposal of excavated material either on or off site.

INSPECT AND SIGN OFF

Inspect after completion and sign off with client. Provide client with certification as to compliance with Building Regulations and relevant Standards and relevant O and M information for Safety
